red chairs all in a row  
asphalt camaraderie  
and the gas pump dip n' go  
seamless coronations  
at the chicken give n' go  
it's a

waffle house jang-a-lang

red chairs all in a row  
the interior reflected  
in the big size window glass  
a floor to ceiling fishbowl  
made to catch a drivers' pass  
the setting sun  
the electronic billboards  
a jungle up at 60 feet  
an endless stream of  
screaming signs all  
struggling  
pushing  
yelping  
to compete

the grill is down so  
it's waffles as we go  
blue cars wait in line  
as the traffic ebbs and flows  
convenience on the aprons  
headlights dim and go  
lost in america
